

DIRECTIONS TO THE 'CROW'S NEST' and 'ANCHOR COTTAGE', KILN LANE, BENHALL, IP17 1HA.

(01473 833585) - (07799660525)

Travelling up the A12, in the direction of Lowestoft/ Great Yarmouth, you will pass through the village of Stratford St Andrew and thereafter pass, on your right, the turning towards Aldeburgh and Snape, the A1094. Keep on the A12.

About 750 yards after that Aldeburgh turn off, you will need to turn right and cross over the southward bound A12 following the signpost to Benhall, Benhall Green and Saxmundham.

Go over the bridge and continue along the road passing Grays Lane on your left, and then the entrance to a mechanics garage set well back from the road.

The next turning on your left is Kiln Lane - it is sign posted - only about half a mile from the A12. (If you reach Saxmundham you have gone too far)

Go up Kiln Lane and, after about 100 yards, you will pass the signed entrance for Anchor Cottage - keep going up the lane and turn into the next gravel parking area. Park in the allocated Crow's Nest/ Anchor Cottage marked parking space. (Please do not block in the garage doors by parking too close to them.)

A short walk down between flowerbeds, and under an arch, takes you to first to the front door of The Crow's Nest (on the right) and then to the front porch of Anchor Cottage (the porch is not locked).

The key safe for each cottage is on the wall of that actual cottage.

If you intend to use SatNav or similar we would strongly suggest that you follow these written directions for the last mile or so, or you may find it difficult to find the cottage!

PLEASE ENSURE YOU CONTACT US AT LEAST THREE DAYS PRIOR TO YOUR VISIT TO ADVISE EXPECTED ARRIVAL TIME - THANK YOU.
